I understand and agree to the following:

- **Laser vision correction & refractive consultations:** This comprehensive consultation is to determine candidacy for a custom vision correction procedure. It does not substitute for an annual eye exam. Laser vision correction & refractive procedures are not insured by OHIP. Other services provided may be a benefit of OHIP.
- **Cataract & General consultations:** Some services may not be insured by OHIP. Fees will apply.
- Fees will apply for a copy of my records or transferring my information to another doctor.
- There is a **\$200 fee** for surgical second opinions.

In an effort to stay connected and provide important information about health and safety, services we offer, events, news items, product care and promotions, occasionally we would like to send you email updates. **I agree to receive these emails and understand that I can unsubscribe at any time.**

Lifestyle Questionnaire

For Eyes Over 40 Only:

Even though you may currently need glasses, surgery gives you the option of seeing better without glasses. This means you could wear glasses less often. Which of the following best describes what you would like after surgery?

- I want to wear glasses as little as possible
- I'm okay having to wear glasses some of the time

Think of your vision in terms of three zones:

- Distance (driving, tv, golf, tennis)
- Mid-range (computer, cooking, gardening)
- Near (reading, cell phone, sewing, make-up)

If you had to wear glasses for at least one zone after surgery, for which zone would you be more willing to wear glasses?

- Distance vision
- Mid-range/Near Vision

Please check the single statement that best describes you in terms of night vision:

- Night vision is extremely important to me, and I require the best night vision possible.
- Night vision is not particularly important to me.
- I want to drive comfortably at night, but I would tolerate some slight imperfections such as glare or haloes

Where are you most comfortable holding your reading material:

- close to face
- chest level
- lap level
